

Insert to "Happy Hour" Script

U ...He's a bit of a card and he's made of lard - The Boy Gacko

G Alright dudes, Rot-tasticaaa!

U As you can hear, he uses such modern and fashionable language - I shall try and translate as we go along

G Big shout going out to the posse in the house!

U "Hello ladies and Gentlemen."

G Groove on Daddio, what's pumping?

U "Do I have a gastric problem?"

G I'm a-coming at ya in your face

U Yes...well that's enough jazz talk from you, Boy Gacko. It's all that playing on the amusements in the arcades, it rots your mind

B What a boring old Uncle, amusement arcades are brilliant, aren't they boys and girls?

Omnes Yes!

U Oh no they're not etc.

(Finishes with) That's enough of all that nonsense - it's not even Christmas!

U sits)

G Oh you're such a boring old Uncle, you want to get out and about a bit. (Here G needs to waffle about how widely travelled he is and into Pasadena)

*Sing Pasadena*

U So now we've all had some fun, it is time to improve your mind, Boy Gacko. Go on chaps, give the Boy a lesson would you?

All Certainly (all hit G and sit down again.)

G Ow!

(Sq stays by G and pokes him with his sword when he doesn't know the answers)

U No, I mean test his general knowledge

G I don't know any generals

(Sq pokes him)

M Alright, what is your favourite colour?

G Um - ouch!

McF Where does your lap go when you stand up?

G Um - ouch! *Other gags here?*

(here edit into script as written-ish from "ow, get off Squacko" etc.)

From puppet bit we need to get to the Dance, one route would be as follows...)

G You're just a boring old Uncle

U Nonsense, I can be very "with it" and up-to-date too

G Yeah, good 'un, where's your sounds then?

U I beg your pardon?

G Sound system, Mega-mix, decks?

U I have the very latest technology - look!

(The Rotters reveal the gramophone from beneath a cloth...next to an aspidistra?).

Stand aside *Take That*, move over *The Spice Girls*, 'cos MC Uncle Tacko's in the house

*Dance Routine to Temptation Rag by The Rhythm Rascals*

G Wicked sounds, Unc., play us another

(We need a route into Bogey and Goodbye from here)

Where did you learn all that then?

G Oh I've been all over, me. I've even been to far America...(into Pasadena)

Sq What is the

G Bonjewer garcon, ou est la toilette?

M Italian

G Spaghetti, Olivetti, Ravinelli

McF Spanish
